

CERT Basic Training

CFD's Basic CERT Final - Videos

FEMA

Instructions

You will have completed the University of Utah's Basic CERT course, taken the final test and copied the certificate of completion.

You will have emailed your certificate of completion to your team coordinator

Contact Information for CERT Team Coordinators

- Milwaukie CERT
 - Judy Batt, team coordinator, battj7@gmail.com
- Oak Lodge CERT
 - David Frick-Wright, team coordinator, dfrick-wright@gmail.com
- Willamette Falls CERT (Oregon City/Beavercreek)
 - Carson Mather, team coordinator, carson.mather@gmail.com

Instructions (continued)

- There are two parts to the CFD Basic CERT Final:
 - View the seven video presentations located under the Milwaukie Public Safety Foundation’s website at www.MilwaukiePSF.org, CERT, CERT Final Videos
 - Complete the written test and email it to your team coordinator
 - Attendance at and participation in the final hands-on exercise scheduled for Saturday, April 2nd, 8am-4pm to be held at Fire Station 2, 3200 SE Harrison, Milwaukie

Summary

- When you have completed both the video section and the hands-on final exercise with CFD's CERT Trainers you will be provided with a certificate of completion and will be a certified CERT volunteer.
- You may wish to join one of the three existing CERT teams or you may become a trained person, able to assist yourself and your neighbors following a disaster.
- Discuss team membership with your local CERT Team coordinator
